

USER MANUAL FOR eSP APPLICATION

VERSION 1.0

WHAT IS SPECIAL PASS

A **Special Pass** is a temporary pass issued by the Immigration Department of Malaysia to allow foreign nationals to extend their stay in Malaysia for a maximum duration of 30 days depending on the situation.

Example of scenarios that requires Special Pass are waiting for the current pass to be renewed, new passport issuance from the respective Embassy in Malaysia, preparation to leave the country etc.

A large, solid red semi-circle is positioned on the left side of the image, with its flat edge facing left and its curved edge facing right. It is set against a dark blue background that features faint, concentric circular lines in a lighter blue shade, primarily visible on the left and bottom edges.
